

Manufacturer's declaration

(Directive 2006/42/EC, Annex II B)

FLOWROX OY
Marssitie 1
53600 Lappeenranta

declares that in the design of

the pinch valve types **PV, PVE** and **PVS**

with electromechanical, pneumatic and hydraulic actuators

the following harmonized standards have been applied:

EN ISO 12100-1:2003+A1:2009, EN ISO 12100-2:2003+A1:2009,
EN ISO 60204-1:2006+A1:2009

The valve must not be put into service until the process pipeline/machinery into which it is to be incorporated complies with the directive 2006/42/EC and the changes regarding it and the national regulations that bring them into force.
